"Growing, Striving, Achieving and Believing!"

December 11<sup>th</sup> 2020

Dear Parent/ Carer,

Our children have performed beautifully in their Christmas concerts the last week and parents have been fantastic in providing the costumes to make this possible. This year we are asking parents to donate any of their unwanted Christmas costumes to our school so we can build up a bank of costumes that can then be reused each year, if you wish to donate your child's costume please let the class teacher know through Seesaw and they will not be sent home. We would also like to ask for any donations of unwanted Christmas jumpers that your child may have outgrown and these can be brought into school in a bag and given to your child's class teacher.

During the spring term we will be working with the Child Poverty Action Group (CPAG) and getting involved in an initiative called 'The Cost of the School Day' which focuses on breaking down the financial barriers to learning. We will be working alongside CPAG to introduce small changes in the school that will have a positive impact on our school community and felt that the donation of unwanted Christmas jumpers and costumes would be a great place to start. Our Eco schools team have also chosen to focus on waste minimisation as one of their areas to develop within our school this year and will be beginning to set up a uniform donation scheme in the spring term which we will be sending out more information about in January.

Yours sincerely,

A handwritten signature in black ink that reads 'Mrs Drew'.

Mrs Drew (Acting Headteacher)
