"Growing, Striving, Achieving and Believing!"

---

January 4<sup>th</sup>, 2021

Dear Parents/Carers,

Thank you to everyone who responded to the Digital Vision and Motto, we appreciate your feedback, which is essential in developing an effective vision for our school. The Digital Leaders counted the votes and conducted a vote amongst the pupils and the Digital Vision and Motto that will become our 'Digital Dream' is:

**At Llwydcoed Primary we strive for all children to be digitally responsible while developing digital communication and Literacy skills, using new technologies safely, becoming healthy and confident learners with digital competence at the heart of the learning.**

**Together we are becoming digitally responsible communicators with a healthy approach to our learning, preparing us for life in a digital world.**

We believe that our digital values are reflected clearly in this 'Digital Dream' and will help us strive to foster these values in the children and help drive our school forward.

Thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink that reads 'Mrs. M. Lloyd'.

Mrs. M. Lloyd

Class Teacher and DCF Co-ordinator
