"Growing, Striving, Achieving and Believing!"

Dear Parents and Carers,

I hope you are all safe and well. We are missing the children terribly and are looking forward to being able to welcome everyone back to school when it is safe to do so. I would like to thank you all personally for all your hard work with the online learning last week. The engagement has been excellent!

Starting this week each teacher will be preparing a video concept to support each lesson and will be available during school hours to respond to any questions via Seesaw as well as mark and give feedback. They will also be making phone calls home this week to help support you with any online learning problems. Please expect a call from a private number. The work will be set each week as the following:

Dosbarth Hapus and Heulog:

Work will be set each Monday morning and this will include 2 Maths activities, 2 Literacy activities, 2 Topic activities and 2 Personal and Social skills activities. These tasks will be available on Seesaw until the Sunday night so please complete them by this time. The tasks maybe set as whole class tasks or in your child's working group just like in school.

Dosbarth Enfys, Dosbarth Draig and Dosbarth Seren

Work will be set daily which will include 1 Maths activity, 1 Literacy activity and 1 Topic/ Wellbeing activity. The week's activities will be available on Seesaw until the Sunday night to allow the work for the following week to be uploaded, this will give you time to complete it over the weekend if you need to.

As we can't give out gold tokens like we do in school, from next week teachers will be giving out emojis in the comments as a reward for completing the work. There will be one for completing it and maybe more if the work is good quality. There will be certificates for the most emojis each week and this will be given out on a Monday via Seesaw. Our staff do understand that home learning can be difficult, especially if you are working from home and have children in different classes. However, we are here to help and support you every step of the way and every task can be completed at any time during the day. The tasks will also be available on Seesaw until Sunday evening. Teachers will be monitoring the engagement of each task and keeping a register of tasks completed.

These are very difficult and challenging times and if we can help in any way then please contact us. Thanks again for all your continued support.

Yours sincerely,

A handwritten signature in blue ink that reads 'Mrs Drew'.

Mrs Drew (Acting Head teacher)
