

Half Term Homework - St David's Day DT Competitions

Mission Possible-but Challenging!

Are you up to the competition?

As you all know every February half term we ask our pupils to take part in a home DT competition as part of our school Eisteddfod. Each class has a different task to complete and medals will be given during our Eisteddfod via Microsoft Teams/ Google Meet for 1st, 2nd and 3rd. However, entries will be a little different this year and instead of bringing the entries into school to be judged we would like you to upload a picture of the completed entry to Seesaw by Monday 22nd February.

The class tasks will be as follows:

Dosbarth Hapus

Create a 3D daffodil

Dosbarth Heulog

Create a Dragon collage using natural materials

Dosbarth Enfys

Create a 3D love spoon

Dosbarth Draig

Create a 3D Castle

Dosbarth Seren

Create a 3D collage representing all things Welsh in a form of your choice

We can't wait to see all of the amazing entries! Good luck!

Mrs Drew
